Cycle of Inquiry

Indicator	Data Collection	Data Analysis/Monitoring	Decision Making	Action
• **Why** was this indicator chosen? • **What** dimension/s of college readiness (AP, AT, CR) does this indicator measure?	• **How** are indicator data collected? • **Who** collects the data? • **What** is the timeline? • **Who** monitors the process of data collection?	• **How** are data monitored (e.g., what kinds or reports are generated)? • **Who** monitors the data? • **What** is the timeline? • **Who** monitors the process of data analysis?	• **What** are the decision rules in place (e.g., cutoff scores or prevalence of an indicator that prompts the need for intervention or change in practice)? • **What** additional data and/or strategies are needed to determine the appropriate supports? • **Who** makes decisions? • **Who** communicates decisions to relevant stakeholders? • **Who** monitors the process of decision making?	• **Who** carries out the action? • **How?** • **Who** monitors execution? • **Who** monitors effectiveness?

Indicator: _____

Indicator	Data Collection	Data Analysis/Monitoring	Decision Making	Action
